## UNC DATASET NOTES

<b>Federal Districts</b>	<b>District Coding</b>
Cases coded by prosecuting federal district	Districts are coded by two letter state abbreviation and state directional region. For example, TX - S is the code for Texas Southern District. A full listing of districts can be found at: <a href="https://www.justice.gov/usao/biographies">https://www.justice.gov/usao/biographies</a>
<b>Category</b>	<b>Definitions</b> (These codes reflect our best understanding of the classifications given that the definition of 'targeted violence' remains unclear in the DHS Framework document)
REMVE (Racially and Ethnically Motivated Violent Extremism):	cases clearly linked to ideologies or groups
TV - Hate Crime (Targeted Violence - Hate Crime):	cases that are not clearly linked to REMVE groups or ideology but which incurred hate crimes charges
TV - Other (Targeted Violence - Other):	cases that do not have clear REMVE links or hate crimes charges such as crimes targeting government personnel or installations or attacks with male supremacist ideological links

## UNC DATASET NOTES

### Cases not included

The dataset does not include individuals arrested or charged with crimes linked to REMVE ideologies such as members identified with the Black Hebrew Israelites who committed two recent and closely timed attacks in Jersey City, NJ and Monsey, NY in December 2019. These groups and ideologies, generally categorized under “Black Separatism,” are substantially less prevalent in the US than White supremacist groups and ideologies. For information on current and historical problems with US government designations of Black ideologies and groups the Marshall Project (<https://www.themarshallproject.org/records/4937-black-identity-extremists>) provides detailed information from a variety of reputable sources.

### Federal versus State cases

This dataset provides information about individuals arrested and charged for federal crimes linked to ‘domestic’ terrorism stemming from White supremacist, nationalist, accelerationist, and male supremacist ideological cultures and groups. This dataset does not include charges at the state level, where many such crimes are charged depending on whether or not a case meets the requirements for federal charging. In some REMVE / TV cases, charges will occur at both the federal and state level (e.g. The Charleston AME Church shooter was charged at both levels). Given the complexities of searching 50 separate state court systems (<https://www.uscourts.gov/about-federal-courts/court-role-and-structure/comparing-federal-state-courts>) and the limitations of our team (size and time), we were unable to include state charges in this dataset.

### DISCLAIMER

ALL PERSONS CHARGED ARE INNOCENT UNTIL PROVEN GUILTY
